two consecutive exposures, and the link between them

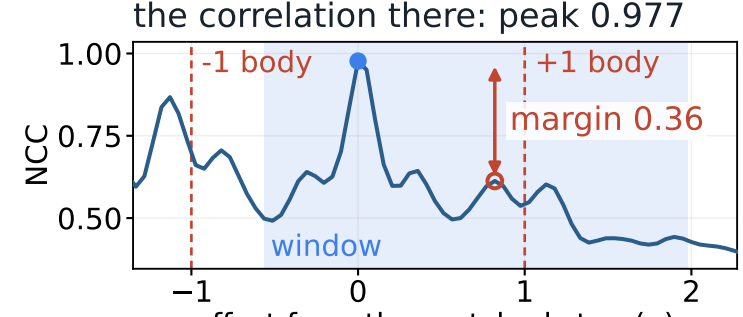

CTSP_COLONOG_1 · exposures 1 and 2 of 4 · film-noise render, annotation boxes

head left, prone · blue: the 2 paired bodies

+1-body alias inside that band, –1-body outside

margin = peak − best rival ≥ ½ *p* away

an off-by-one here moves every body beyond it a level: a wrong-level operation

p = median of 7 steps · step: linker 77.6, frames 77.6 mm · paired L3, L4
